

UTICA ROADRUNNERS 2020 SCHOLARSHIP APPLICATION

The Utica Roadrunners have as our primary mission the promotion of family health and fitness through running. Each year we sponsor a number of events to help raise money for collegiate scholarships for outstanding graduating student athletes in our community. We are pleased to announce that this tradition will continue in 2020 with the Paul Ohlbaum and Howard Rubin Scholarships to the outstanding male and female applicants.

Minimum qualifications the Scholarship Board will consider include the applicant's running achievements, academic achievements and extracurricular activities. The \$500 scholarships are a one-time award to be used for tuition, fees, or residential costs at an accredited college or university. Runners who have received a full ride scholarship are not eligible for this scholarship.

ELIGIBILITY

The student athlete must meet these standards:

- has been an active member of their high school's cross country and/or track teams in grades 11 and 12. The applicant should include career bests, athletic achievements, and athletic awards received.
- has demonstrated academic excellence. The applicant should include academic awards, class rank, and possess a GPA of 2.5 or higher based on a 4.0 system.
- has demonstrated community involvement and leadership qualities. The applicant should specify any non-athletic activities/clubs/organizations that benefit others.
- has been accepted to an accredited two or four year college.

Selection will be made based off an anonymous point scale by the Scholarship Board. The Scholarship Board will be comprised of members of the Utica Roadrunners Board.
