Welcome!

As President of the Utica Roadrunners and on behalf of the over 500 club members, I am happy to welcome you as one of the newest members of the Utica Roadrunners and the Road Runners Club of America. The Utica Roadrunners not only run together but also volunteer together. We are a highly-motivated group, both in running and community activities. We are very proud of our record of promoting health, personal fitness and athletic achievement through running.

We have a diverse membership, which includes the ultra-marathoner to the noncompetitive recreational runner. We have some walkers, too. We are husbands, wives, children, teachers, doctors, secretaries, and retired persons – and much more. You will find that from the very fast to the not so fast, from the very young to the not so young – **“There’s a place for every pace” in the Utica Roadrunners.**

You will have the opportunity to craft your membership into the level you wish. Some of us join several times per week to run and volunteer. Other club members may only join in weekly or monthly and that’s ok too. We have several activities that carry us through the year. These include working on our Boilermaker Training Program and our continuing trail renovation project in the South Woods portion of the Utica Park system. We help other community events such as the Boilermaker Road Race and America’s Greatest Heart Run and Walk. We also have our own races and we help other groups with their races.

Again, welcome to the Utica Roadrunners. Look for more on our website at www.uticaroadrunners.org, including details on our races, newsletter archives and CNY’s race calendar. Business meetings are held on the second Monday of the month at the Utica Boilermaker Office. Feel free to e-mail me at jmott@cvalleycsd.org if you have any questions.

Sincerely yours,

Jim Mott
Club President

GRAND PRIX: GRAND PRIX: The Grand Prix series of races is a friendly competition among all members in good standing as of one day prior to first race of series. Members are automatically eligible, and points are received per race order of finish in five-year age groups, with one's age as of October 31, 2020, determining age group for the season. The best 6 performances among the 13 designated races

will determine standings for awards, with a minimum of 3 races required to be eligible for an award. The Grand Prix races for 2020 are:

03/14/20	St. Patrick's Day Mad Mile

Grand Prix details, results, standings, and reports can be found at the Club's website. For more information, please contact Gary LaShure at gslnus@yahoo.com.

CNY RUNNING CLUBS CUP: This friendly competition is held annually among the Kuyahoorra Kickers, Mohawk Valley Hill Striders, Roman Runners, Toe Path Trekkers and the Utica Roadrunners. In a series of designated races throughout the season, each club's members will compete on an age-graded basis against the five other clubs. By using age grading, anyone in a club could find themselves contributing to the club's success in any given race. There are no gender or age distinctions. The Cup is truly open to all members. The best five results by each club's members in a race will be compared to the other clubs and points awarded on a descending basis, with six points to the best, five to second and so on down to a single point. At the end of the year, the club with the most points wins the CNY Running Clubs Cup and bragging rights for a year. To make this work, the race registrations for a Cup race will now include a question about club affiliation, and that information will be included in the race results. People who are members of more than one Cup club should be aware that the first club you compete for in a year is the club you will represent for the rest of the year. **NOTE:** Clubs do not need to submit a roster ahead of time. At each race, there should be a place for you to sign your name to run for a club. However, there is an "honor system" set of rules: Once you run for a club at a race, you cannot run for another club for the rest of the competition. Team members must also be in good standing with the club by March 31st. For information, contact Laurie Hennessey at laurie.hennessey@aol.com.

CLUB RUNS: Thursday Night club runs are held every week throughout the year. Shower and changing facilities are provided at the Fitness Mill at no charge for club members. These runs start promptly at 5:45 pm at the Fitness Mill. We meet at the Black Cat Café afterwards (about 7 pm) for rehydration, socializing and food (off the menu).

Our members come in all sizes, ages, and running abilities, so you are sure to find several running companions to match your preferred distance and pace. Remember, our motto is, "There's a place for every pace!" Club runs can be initiated by any member with board approval with waiver signed by all participants.

NEWSLETTER: Our club newsletter, *SpliTimes*, is published monthly. A link is e-mailed to each member household. It contains a calendar of upcoming club events, meetings, club runs, a schedule of area races, race results, running articles, and many other news items of interest to members.

If you have any articles, announcements, or news items that you would like to have included in the newsletter send them to Michelle Truett, c/o Utica Roadrunners, P.O. Box 4141, Utica NY 13504 or email Michelle at michelle@484design.com. Submittal deadline for articles is two to three weeks prior to publication date. Deadline for race announcements is the first of the month before the race month.

DUES: Our dues are \$25 for an Individual Membership, \$30 for Couple Membership of two, or \$40 for family three or more. A "Family Membership" means three or more members sharing the same address.

Dues are payable on a calendar year basis and are due January 1st. Membership privileges (including the Newsletter) may be discontinued if dues are not received by the deadline, and those delinquent after March 1st are removed from the membership list, ineligible for the Grand Prix, and discontinued from receiving the *SpliTimes*.

Those joining after Falling Leaves pay the full membership fee but will not be reassessed for the following year.

CLUB CLOTHING: Club merchandise, including tank tops, shorts, tech shirts and more is available at the Sneaker Store and by contacting the Merchandise Chairperson, Sharon Scala at scala.sharon@gmail.com. Our club jacket is a red micro-fiber shell with a lining and carries the club name and logo on the front. The member's name or nickname can be custom embroidered on the front. It is the same jacket that is awarded to the 1000 Mile Club members or Extra Mile members.

JACKET AWARDS: Members of the club who complete at least 1000 miles of running as a member during a single calendar year for the first time and have accumulated 10 volunteer points (within the last two years) are awarded a special club jacket with "1000 MILE CLUB" and their name or nickname embroidered on the front. An Extra Mile Jacket can be earned by earning 30 volunteer points in a single year. The point system for earning a club jacket will be based on the Points Program. One point may be earned for each two-hour time commitment. The maximum number of points per event is 5, with the exceptions of the Boilermaker Training Program and the Development Runs which each have a maximum of 10. Members earning both awards will have the second award as a patch on the original jacket.

Members of the 1000 MILE CLUB who complete 1000 miles or more during subsequent calendar years after earning their jacket will receive mileage chevrons that may be sewn on their jacket sleeve. Chevrons are awarded in 100mile increments starting at 1000 (round down to nearest 100 ex. 1234 will be 1200).

Mileage must be verifiable from a personal running log and reported within the first two weeks of January of the following year. Notice of date will be sent via email, social media and Newsletter in December. A form for reporting mileage will be provided in the December newsletter or can be obtained from our website.

NATIONAL AFFILIATIONS: Our club enjoys the benefits of membership in both USA TRACK & FIELD (USATF) and the ROADRUNNERS CLUB of AMERICA (RRCA), the two major national running organizations in the United States. The Club is also a Founding Member to the National Distance Running Hall of Fame.

USA Track & Field "USATF", is the national governing body for the sport of long distance running, track & field, and race walking; and as such, is the United States' member of the INTERNATIONAL AMATEUR ATHLETIC FEDERATION (IAAF). USATF's responsibility and purpose are to develop interest and participation in the sport, to minimize conflict in race scheduling, and to establish rules for competition.

RRCA - The ROADRUNNERS CLUB of AMERICA (RRCA) is a national organization of over 500 clubs located in 50 states, and represents over 120,000 individual members. Our club is a member club (club number 175) within the Eastern Region of the RRCA. The RRCA is not a governing body like USATF, but was formed by runners and for runners to promote the sport and to establish guidelines for the conduct of sanctioned races.

The RRCA publishes *ClubRunning*, a quarterly newsletter that is emailed to all members in February, May, August, and November. If you are not receiving your copy, contact the Membership Director

The ADIRONDACK ASSOCIATION of the USATF is one of 56 regional associations, which comprise USATF. Our club is one of about 27 member clubs that makes up the Association. We are club number 213. You will need to know this if you plan to apply for an individual USATF number for competition. You will need one if you plan to compete for awards in USATF Championship races and some of the larger marathons require applicants to have a USATF number.

ADDITIONAL INFORMATION: The Secretary records all club business activity and is the official record keeper of the bylaws and club policy. The Membership Director maintains a complete file of all membership records. Questions regarding membership can be directed to the Membership Chair at uticaroadrunners@gmail.com. The Club keeps all records of members' race results and 1000 MILE CLUB mileage records. Be sure to report your race results so that they can be entered in the Newsletter and the computer file. Race results can be reported to or Gary LaShure at gslnus@yahoo.com. If you have any further questions about our club, please call any officer or board member. They will be glad to help make your membership in the UTICA ROADRUNNERS club a rewarding activity.
